Re: International Baccalaureate Recognition of BOSSE students for IBDP and IBCP

Dear Sir,

We are pleased to receive your confirmation that the BOSSE is a recognized member board by the COBSE. This recognition enables the International Baccalaureate (IB) to acknowledge eligible students who have completed Grade 10 from BOSSE for admission to the International Baccalaureate Diploma Programme (IBDP) or Career-Related Programme (CP) in authorized IB schools.

Both programmes cater to students aged 16 to 19. The IB Diploma Programme prepares students for university-level education, while the IB Career-related programme equips them for entry into the workforce.

We hereby express no objection to students transferring from BOSSE to the IBDP or IBCP.

Additionally, to ensure a smooth transition for students, we kindly request your confirmation regarding the transfer of credits from the IB Middle Years Programme (MYP) for Grade 10 BOSSE and IBDP/CP students (Grade 12) to BOSSE, as well as the number of subject transfers.

Please let us know if there are any specific requirements, procedures, or documentation needed for such transfers.

Your prompt response and cooperation in this matter would be greatly appreciated.

Yours sincerely,

Stefanie Leong
